**Concerned Women for America Legislative Action Committee
endorses Will Nance for State Senator in the 37th District
Special Election in Virginia**

Washington, D.C. — Concerned Women for America Legislative Action Committee (CWALAC) is announcing their decision to endorse Will Nance for state senator of the 37th District in Virginia. The special election will be held on December 3, 2009, at Centerville High School between 6:00 p.m. and 9:00 p.m.

This special contest comes as a result of an open seat due to the election of Ken Cuccinelli as Virginia's Commonwealth Attorney.

Will Nance is a strong pro-life, pro-family candidate who will preserve and promote traditional family values and be a leader on bread-and-butter economic issues as the senator from the 37th District.

Will is currently the executive director of Green Spring Retirement Community in Fairfax County, Virginia. Mr. Nance has been well known as a movement conservative in part because of his time on the staff of Charles Colson's Prison Fellowship.

As the husband of Penny and father of two children, Mr. Nance knows the importance of strong families.

"Will Nance is the candidate who will continue in Ken Cuccinelli's conservative footsteps," said Beverly LaHaye, founder and chairman of Concerned Women for America Legislative Action Committee.

"We endorsed Will Nance because he is unashamedly pro-life and pro-family and will represent common sense solutions for Northern Virginia."

Concerned Women for America Legislative Action Committee is the nation's largest public policy women's organization.
